Attachments: EPA Sulzer SCE Comments 08 27 2015 FINAL.pdf

Hi Mark and Matt-

Please find attached EPA's final comments on the Sulzer Pump SCE Report dated May 7, 2015. We made some revisions after receiving your comments and as a followup to our discussions. Please call or email if you have questions. Thanks.

Eva

Sean,

Matt and I went over EPA's draft comments. Our suggested edits are in the attached redline strikeout file. We request EPA consider these comments when finalizing comments on the SCE report. You will note that we have responded to each comment, modified a number of comments, and deleted several. Please let me know if you want to discuss further. Thank you.
